Mohammadmahdi Mir-Nasseri

Personal Information

Birth Date: 16, March 1971

Citizenship: Iranian

Marital status: Married

Hobbies: Sports (Table Tennis, Swimming, Domeydani), Music (Classic)

Interests: Computer, Health promotion

Education Objectives

❖ Epidemiology

❖ Gastroenterology

Education Background

- 1985-1989: High School Diploma from Dino Danesh, Qom, Iran
- Achieved 117th position in University Entrance Examination.
- **Medical Doctor (M.D):** 1991 – 1998, *Tehran University of Medical Sciences*, (Basic Sciences: 2.1/2 years; Pathophysiology Courses: 1 years; Clinical Rotations: 2.1/2 years; Internship: 1.1/2 years); Average B, Thesis A
Thesis title: “Prevalence of Hepatitis C Virus and it risk factors in Diabetic Patients”
- **Master in Public Health (MPH),** 2007-2009, *Tehran University of Medical Sciences, School of Public Health*, Average A, Thesis Average A
Thesis title: “Knowledge, satisfaction and needs of the community under treatment by FarmanfarmaianHealth Center from health services provided by the center”

Experiences

- **1998 up to now : Research Fellow in Digestive Disease Research Center (DDRC), Tehran University of Medical Sciences (TUMS)**
- **1998 up to now: Manager of Pediatric Unit of Digestive Disease Research Center, Tehran University of Medical Sciences (PDDRU)**
- **1998 up to now: Member of Hepatitis Research Group in DDRC**
- **1999 up to 2002: Member of Continuing Medical Education Unit in DDRC**
- **2002 up to now: Coordinator of Continuing Medical Education Unit in DDRC**
- **2000: Member of executive committee, 1st conference on diagnostic and treatment of Hepatitis B, DDRC, Tehran-Iran**
- **2000-2001: Member of executive committee, 2nd Iranian Congress of Gastroenterology and Hepatology (ICGH 2), Tehran- Iran.**
- **2002 up to now: Manager of Continuing Medical Education group in Iranian Association of Gastroenterology and Hepatology (IAGH)**
- **2002 up to now: Manager of Patient Education Unit DDRC.**
- **2002 up to now: Executive secretary of Iranian Association of Gastroenterology and Hepatology (IAGH)**
- **2005: Member of executive committee, the first Esophageal and Cardia Cancer Summit (ECCS-1), Tehran- Iran.**

Experiences, Executive Chairman of continuing medical education

- **2002 (Aug. 2002): 2nd Seminar on Malignant Tumors of Esophagus, DDRC, Tehran-Iran.**
- **2002(Feb. 2002): 1st Seminar of Cardiac stomach Cancer, DDRC, Tehran-Iran.**
- **2002-2003 (Oct. 18-22): 3rd Iranian Congress of Gastroenterology and Hepatology (ICGH-3).**

- **2003 up to now Executive Editor of Govaresh Journal**
- **2004 (17 Jun.): The 4th Seminar of Helicobacter Pylori (HPS-4)**
- **2004 (Oct. 6 – 8): Updates On Colorectal Cancer: Diagnosis, Prevention And Treatment**
- **2004 (Jun. 5- 10): First Post- graduate Course of Internal Medicine**
- **2005 (June 16): The 5th Seminar of Helicobacter Pylori (HPS-5)**
- **2004-2005 (Dec. 15-17): 5th Iranian Congress of Gastroenterology and Hepatology (ICGH-5).**
- **2006 (June 15): The 6th Seminar of Helicobacter Pylori (HPS-6)**
- **2006 (July 27): 1th Seminar of the Role of Stem Cells in the Treatment of Gastrointestinal and Liver Disease**
- **2005-2006 (Nov. 21-24): 6th Iranian Congress of Gastroenterology and Hepatology (ICGH-6).**
- **2007 (March 2): Updates on Viral Hepatitis – Diagnosis, Prevation and Treatment**
- **2007 (June 21): The 7th Seminar of Helicobacter Pylori (HPS-2007)**
- **2007 (22 June): Sleep Apnea & Snoring Sminar**
- **2006-2007 (Nov. 27-30): 7th Iranian Congress of Gastroenterology and Hepatology (ICGH 2007).**
- **Probiotics in the chronic of Inflammatory and Non Inflammatory Bowel Diseases, Mar. 6, 2007**
- **World Digestive Health Week, Optimal Nutrition in Health and Disease, May 29, 2008**
- **2007-2008 (Nov. 25-28): 8th Iranian Congress of Gastroenterology and Hepatology (ICGH 2008).**
- **World Digestive Health Week, Irritable Bowel Syndrome, May 21-29, 2009**
- **2008-2009 (Nov. 10-13): 9th Iranian Congress of Gastroenterology and Hepatology (ICGH 2009).**
- **2009 up to now Executive Editor of Middle East Journal of Digestive Diseases Journal**

- **World Digestive Health Week, Inflammatory Bowel Disease, May 22-29, 2010**
- **GI Postgraduate Course, Nov. 9, 2010**
- **2009-2010 (Nov. 9-12): 10th Iranian Congress of Gastroenterology and Hepatology (ICGH 2010).**
- **World Digestive Health Week, Enteric Infections; Prevention and Management, May 22-29, 2011**
- **GI Postgraduate Course, Oct. 4, 2011**
- **2010-2011 (Oct. 5-7): 11th Iranian Congress of Gastroenterology and Hepatology (ICGH 2011).**
- **World Digestive Health Week, From Heartburn to Constipation - Common GI Symptoms in the Community: Impact and Interpretation, May 11-18, 2012**
- **GI Postgraduate Course, Nov. 27, 2012**
- **2011-2012 (Nov. 28-30): 12th Iranian Congress of Gastroenterology and Hepatology (ICGH 2012).**

Research Experiences

Researcher: 1998 up to now: Digestive Diseases Research Center, Tehran University of Medical Sciences

- **Molecular Diagnosis of myotonic dystrophic in IRAN**
- **Alpha 1 Anti trypsin and Phenotype in Infant Cholestasis, Chronic Hepatitis, and Idiopathic Cirrhosis in Children**
- **Incidence of Copper storage disease in children with idiopathic cirrhosis**
- **Prevalence of autoimmune hepatitis in children with chronic hepatitis in the pediatric medical center Hospital.**
- **Efficacy of furazolidon, amoxicillin, Clarithromycin and metronidazol on helicobacter pylori cultured from children stomach biopsy.**
- **Cystic fibrosis in Iranian children 1991-2000.**
- **colonoscopic finding in children with lower Gastrointestinal complaints**

- **Comparison between two method of therapy for AIH; prednisolone+ Azatioprin and cyclosporine2002.**
- **A comparative study on sensitivity of serology versus culture, RUT and pathology in diagnosis of helicobacter pylori infection.**
- **Comparative study between sonography and barium swallow in gastero esophageal reflux in comparison with 24hr PH monitoring.**
- **Prevalence of transmitted HBV infection from Endoscopy procedure.**
- **Prevalence of HBV infection in household IV drug abusers with HBSAg positive.**
- **Prevalence of hepatitis B infection among IV drug abusers.**
- **Prevalence of hepatitis C infection among IV drug abusers.**
- **Prevalence of HIV infection among IV drug abusers.**
- **Evaluation of tissue transglutaminas (tTG) for screening of Celiac and silent Celiac in the children of Tehran**

Publications:

- **Prevalence of Hepatitis C virus and its Risk factors in Diabetic Patients**
- **Knowledge, satisfaction and needs of the community under treatment by FarmanfarmaianHealth Center from health services provided by the center**

Skills

Computer:

MS-Windows XP and 2000, 98, Vista; General Purpose – Office XP Package (Word, PowerPoint, access), SPSS, Adobe Photoshop, CorelDRAW

Other:

- ◆ *Research workshop certificate. Faculty of Health TUMS*

Membership

- ➡ **1998 Up to Now: Iranian Medical Council, registration No: 79101**
- ➡ **1998 Up to Now : Digestive Disease Research Center (DDRC)**
- ➡ **2001 Up to Now: Iranian Association of Gastroenterology and Hepatology, Registration No: 26**

➤ Abstracts:

➤ *Molecular Diagnostic of myotonic dystrophic in IRAN*

S.H. Amini, M.E. Mousavi, K. Kahrizi, J. Lotfi, [M.M. MirNasseri](#), 1st Seminar of genetic in Medicine, 2001, Ardabill

➤ *Diagnostic Colonoscopy in children with lower GI symptoms*

G.R. Khatami, B. Allah-verdi, [M.M. Mir-Nasseri](#), F. Seyghali, M. Najafi, A. Khodadad, G.H. Fallahi, F. Farahmand, 13th International Congress of Pediatrics, 6- 11 Oct. 2001

➤ *Cystic Fibrosis in Iranian childrens*

G.R. Khatami, [M.M. Mir-Nasseri](#), F. Seyghali, A. Khodadad, G.H. Fallahi, M. Najafi, World Congress of Gastroenterology (WCOG) ,Bangkok, Thailand, Feb.24-Mar.1,2002, *journal of Gastroenterology and Hepatology* (2002) 17 (suppl.) A525

➤ *Frequency rate of Various Causes of Chronic diarrhea in Children*

[M.M. Mir-Nasseri](#), G.H. Fallahi, 2nd Iranian Congress of Gastroenterology and Hepatology, *Govareh* 2001; Oct.(6) 31,32 (suppl.)

➤ *Prevalence of Chronic Diarrhea in Immunosupressed Childrens*

G.H. Fallahi, [M.M. Mir-Nasseri](#), A. Khodadad, M. Najafi, F. Farahmand, 2nd Iranian Congress of Gastroenterology and Hepatology, *Govareh* 2001; oct.(6) 31,32 (suppl.)

➤ *Liver copper storage disease in children with cryptogenic chronic liver disease in IRAN*

[M.M. Mir-Nasseri](#), A. Khodadad, A. Iranikhah, 11th uegw 2003, Madrid,Spain, 1-5 November, *Gut* 2003; 52 (Suppl VI) A112

➤ *Diagnostic Colonoscopy in children with lower GI symptoms in IRAN*

G.R. Khatami, [M.M. Mir-Nasseri](#), B. Allah-verdi, M Najafi, A. Khodadad, G.H. Fallahi, M. Sayad, 11th uegw 2003, Madrid,Spain, 1-5 November, *Gut* 2003; 52 (Suppl VI) A101

➤ *Efficacy of quadruple Ati-H.Pylori therapy (OAMB) in patients with peptic ulcer disease and Gastroduodenitis*

J. Mikaeil, [M.M. Mir-Nasseri](#), A. Manafi Anari, 3rd Iranian Congress of Gastroenterology and Hepatology, *Govareh* 2003; Sep.-Nov. (8) 44

➤ *Prevalence of Hepatitis C and Its Risk Factors in Diabetic Patients*

[M.M. Mir-Nasseri](#), A.A. Dibanedjad, A.R. Sadjadi, A. Radjab, R. Malekzadeh, 3rd Iranian Congress of Gastroenterology and Hepatology, *Govareh* 2003; oct.(8) 43(suppl.)

➤ *Efficacy of Amantadin plus Interferon in HCV of Talacemic patient*

G.H. Fallahi, M. Idyar, A. Fathi, [M.M. Mir-Nasseri](#), 3rd Iranian Congress of Gastroenterology and Hepatology, *Govareh* 2003; oct.(8) 43(suppl.)

➤ *Sclerotherapy of esophageal varices bleeding in children*

M. Najafi, A. Khodadad, G.H. Fallahi, F. Farahmand, [M.M. Mir-Nasseri](#), G.R. Khatami, 3rd Iranian Congress of Gastroenterology and Hepatology, *Govareh* 2003; oct.(8) 43(suppl.)

➤ *Antimicrobial susceptibility of H.pylori isolates from adults and children*

➤ **Autoimmune Hepatitis in Children**

Najafi Sani M., Kianifar H.R., Khatami GR., [Mir-Nasseri M.M.](#), 4th Iranian Congress of Gastroenterology and Hepatology, December 5-7, 2004, Tehran

➤ **Helicobacter pylori reinfection rate 2 year after successful eradication**

Fakheri, H, Navidi, S, [Mir-Nasseri M.M.](#), 5th Iranian Congress of Gastroenterology and Hepatology, Govareh 2005; Aut.. (10) 52-1(suppl.)

➤ **A Comparative study on sensitivity of HP serology versus culture, RUT and pathology in diagnosis of Helicobacter pylori.**

Khatami GR., [Mir-Nasseri M.M.](#), Siavoshi F., 4th Iranian Congress of Gastroenterology and Hepatology, Govareh 2005; Aut.. (10) 52-1(suppl.)

➤ **In vitro susceptibility of H. Pylori to Furazolidon, Amoxicilline, Metronidazole and Claritromycine**

Khatami GR., [Mir-Nasseri M.M.](#), Siavoshi F., Safari F., The 6th Seminar of Helicobacter Pylori, Govareh 2006; Vol. 11, No. 1

➤ **Incidence of esophagitis in children admitted to endoscopy unit**

Khatami GR, [Mir-Nasseri MM](#), Rafie M; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Comparison of ultrasonography and barium meal with pH-metry for diagnosis of gastroesophageal reflux in children.**

Fallahi GH, [Mir-Nasseri MM](#), Mehdizadeh M, Khatami GR; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Endosonographic findings and demographic features in patients with achalasia: a case-control study.**

Mikaeli J, Sotoudehmanesh R, Farrokhi F, Bishehsari F, Ansari R, Khatibian M, Montazeri G, Merat S, [Mir-Nasseri MM](#), Malekzadeh R; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Anti HCV in interavenous drug users in Tehran- Iran**

[Mir-Nasseri MM](#), Poustchi H, Nouraei M, Tahoghoghi S, Naseimoghdam S, Mohammadkhani A, Afshar P, Tavakoli H, Minapour M, Malekzadeh R; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Prevalence and risk factors of hepatitis B infection in intravenous drug users**

[Mir-Nasseri MM](#), Tavakoli H, Postchi H, Malekzadeh R; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Risk of Hepatitis B virus infection following upper gastrointestinal endoscopy: A prospective study in an endemic area**

Mir-Nasseri MM, Poustchi H, Mohamadnejad M, Malekzadeh R, Mikaeli J; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Bacterial peritonitis in the cirrhotic children with ascites**

Khatami GR, Mir-Nasseri MM, bazmamoon H; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Recurrent abdominal pain in children- Iran**

Khatami GR, Mir-Nasseri MM, Shahraki T; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Clinical manifestation and laboratory finding in CF in Iran**

Khatami GR, Seighali F, Mir-Nasseri MM, Allah-Verdi B; World Congress of Gastroenterology (WCOG 2005), Montreal, Canada; September 10-14, 2005

➤ **Survival Analysis of Colorectal Cancer Patients Referring to Shariati and Mehr Hospital in Tehran**

Ansari R., Amjadi H, Noroozbeigi N, Zamani F, Mir-Nasseri MM, Khaleghnejad A, Malkzadeh R. 6th Iranian Congress of Gastroenterology and Hepathology, Govareh 2006; Aut.. (11) 56-1(suppl.)
